Blackboard 9.1 Student Guide

The Blackboard 9.1 Student Guide covers:

- ***Navigating to the Turning Technologies Registration Tool***

- ***Registering a ResponseCard Device ID***

- ***Registering a ResponseWare ID***

- ***Editing or Deleting a Device ID***

Navigating to the Turning Technologies Registration Tool

All Turning Technologies functions are performed using the Turning Technologies Registration Tool.

**How to navigate to the Turning Technologies Registration Tool...**

1 **Login** to Blackboard.

2 Click the **Courses** tab.

Courses

| My Institution | **Courses** | Community | Services |

3 Select the appropriate course under **Course List**.

4 Click **Tools** from the left menu.

Tools

5 Click **Turning Technologies Registration Tool**.

Turning Technologies Registration Tool

Registering a ResponseCard Device ID

A ResponseCard Device ID must be registered to receive credit in class.

How to register a ResponseCard Device ID...

1 Select **ResponseCard**.

2 Enter the six character hexadecimal **Device ID** located on the back of the ResponseCard below the barcode.

Registering a ResponseCard Device ID

3 Click **Register**.

A message appears indicating that the Device ID has been successfully registered.
